

## Terry Subaru

19134 Forest Road  
Lynchburg, VA 24502

**Contact:** Tony Terry (434) 239-2601

**Size (SF)** 1 story  
25,828 sq ft

**Contract Delivery Method** design-build  
**Contract Time** 4 months

### Project Narrative

Originally constructed in 2001, the Subaru dealership in Lynchburg was in need of a renovation to bring the facility up to meet Subaru's new Fox branding program standards. This required a complete fascia and showroom upgrade, as well as a service writer and tech parts area and tech bay addition. All renovations were completed while keeping the dealership in operation throughout construction.

We took the project from the concept design in Subaru's design development package and produced construction documents, as well as coordinated all the related mechanical, electrical, and plumbing disciplines.
